

International Servas Youth Summer Camp Portugal **2018 Citizens of the Earth- Without borders**

This year the international youth meeting of Servas will be in Vila Nova de Cerveira, in Portugal. To celebrate the 70th anniversary of Servas (1948-2018) we thought that the theme of our camp should be a tribute to the ideas of Bob Luitweiler, our founder. That is why we have chosen the theme "Citizens of the Earth - Without borders", to claim peace, the idea that in a world without

borders there would be no countries at war. We want to address issues such as the right to free movement of people, problems with armed conflicts, traffic of people and guns, the human rights of refugees, etc. Without forgetting also our Earth, as the basic rights of the planet, respect for the environment, the carbon footprint and the waste of the planet's resources. In general learn to respect our land as the home of all of us, without distinction of nationalities and with the same rights of citizens.
